The Warehouse Point Fire Marshal's Office in conjunction with the Warehouse Point Fire Department is in the process of updating all emergency contact information for business in the Fire District. As building occupancies change, new tenant moves in, and personnel change, it is imperative we keep up-to-date emergency contact information on file. This information is essential in making prompt notification in the event of an incident in your establishment. All information will be held in a secure manner and never released to the public for any reason.

We ask that you complete the information requested below. Once completed, you may submit the form to the Warehouse Point Fire Marshal's Office. Our fax number is 860-292-8265 or email whpfdmo@gmail.com.

If you have any questions or concerns please feel free to call the Warehouse Point Fire Marshal's office at 860-990-3846.

Thank you for your cooperation.
