We are excited to announce the upcoming Annual Pig Roast Fundraiser hosted by the Warehouse Point Fire Department! This event promises a fantastic day filled with delicious food, live music, family-friendly activities, and plenty of fun – all for a great cause. As a proud supporter of our local community, I am writing to you on behalf of the Warehouse Point Fire Department to request your generous support for our upcoming Annual Pig Roast Fundraiser.

Each year, our community gathers for this lively event to celebrate and support the brave men and women of the Warehouse Point Fire Department who dedicate themselves to protecting our town. This year, the fundraiser will be held on September 28, 2024, at Station 138, 89 Bridge Street, East Windsor, CT 06088, and we anticipate a large turnout of community members, firefighters, and local businesses.

Funds raised from this event play a crucial role in helping us enhance our firefighting capabilities, invest in necessary equipment, and provide ongoing training to our volunteers. Your support will directly contribute to the safety and well-being of our community.

We kindly ask for your consideration in contributing a donation to our event. Your generosity will be recognized at the pig roast, with acknowledgments such as signage at the event, mentions in our promotional materials, and social media shout-outs.

Enclosed is a donation form outlining various sponsorship levels and benefits.
