

# Warehouse Point Fire Department Annual Pig Roast Fundraiser

The Warehouse Point Fire Department has several fundraisers planned throughout the year. This fundraiser takes a lot of planning and local support. We are looking for area businesses and residents to help support this event. These proceeds will be a direct investment towards our department which includes lifesaving equipment and ongoing training to both our cadets and firefighters. Your support and contribution to this event helps us continue to keep our community safe.

We would like to include your name on our list of sponsors. Your donation can be a great way to advertise your business!

Donations need to be made by September 21, 2024, to be included on the donation sheet.
